Food allergy or intolerance?

Adults need around 2,000kcal per day

We take great care to prevent cross-contamination when preparing your food, however, please be aware that all our dishes are prepared in kitchens where all known allergens are present and there is also risk of allergen cross contamination through shared cooking equipment e.g. fryers. As we use other foods containing gluten in our kitchens we cannot declare or guarantee that any of our dishes are gluten free. Our menu descriptions do not list all ingredients, please advise the team of any dietary requirements when ordering. If you have a food allergy or intolerance, or just want more detail about the ingredients in our food and drinks including calories – please let our team know or scan the QR code to find out more.
